

**PROPOSED MAJOR NEW WORK ADVERTISING SCHEDULE
U.S. ARMY, CORPS OF ENGINEERS
NORTHWESTERN DIVISION**

Major new work scheduled to be advertised by the District Offices of the Northwestern Division, Corps of Engineers, during the period March 2000 through September 2001, is listed on the following pages. This schedule has been prepared on the basis of current planning, and all dates are tentative and subject to change without notice.

All items on the schedule are listed under the District Office responsible for their procurement. The Kansas City, Omaha, Portland, Seattle, and Walla Walla Districts are responsible for projects within their designated boundaries. Any questions regarding details of the work should be addressed to the appropriate District. The address and telephone number of the District offices are provided. District web sites, linked to the Northwestern Division home page, may also be accessed for additional information.

Requests for advance notices and instructions on securing bidding documents should be obtained from the respective District offices.

The attached information has been compiled for use by potential contractors and other interested members of the construction, environmental, and manufacturing industries, including trade and professional associations and magazines. Hard copies of the current schedule are available upon request from:
